	Museum of Science: Night Sky	2:45PM	Grade K and up	July 26	25

The **Sign Up** column indicates the day registration begins for that program. If this column says “None” registration is not required. Please register in person at the library. The **Limit** column indicates the number of children who can be accommodated on a first to arrive basis at events that do not require prior registration, or the number of children who may register for an activity or event. While Abington residents will be given preference for activities requiring registration, the library will do its best to be inclusive to all interested participants.

For additional reminders and updates about programs at the library, add the Abington Public Library as a “like” on Facebook, join our parent / caregiver email list on your next visit, or check the library’s online calendar at www.abingtonpl.org! As always, caregivers with questions, concerns, or special needs should contact the library at 781-982-2139 or abchildrens@ocln.org.

Funding is generously provided by the Friends of the Library, the Anderson Foundation Cultural Series, Brait Builders Construction, the Joyce Lee Bumpus Fund, and the Fund in Memory of Melba Smith.

Build a Better World is sponsored by the Abington Public Library, the Massachusetts Library System, the Boston Bruins, and the Massachusetts Board of Library Commissioners.
