

Note-taking Sheet

For your Grade 9 Book List Selection

To what degree can one person make a difference?

Complete the chart below using the book you selected from the list for 9th graders.

Title of Book
Why did you choose it?

Evidence that one person CAN make a big difference	Evidence that one person CANNOT always make a big difference
1.	1.
2.	2.
3.	3.

Weigh your evidence and answer the question: To what degree can one person make a difference?
--

If you need additional space, please attach additional handwritten sheets.

This chart was adapted from the Braintree Public Schools Summer Reading Program.
