Financials-Building repair and maintenance budget is almost one third spent and it is only 3 months into the Fiscal Year. July circulation broke 10,000 for the first time ever. August circulation was also good, not as much of a drop as in the past. All of the summer reading programs were full. Museum pass usage was up from last summer.

Programming- Drop-in story time on Monday's is now at 10:15. Book clubs are also going to be on Monday evenings. The first TAB meeting was last Tuesday night and 35 members attended. A schedule for Adult programs has been set for September to January including Yoga on Monday nights, eBooks Demystified, Lizzie Borden: The Mystery Continues, Words with REAL Friends, Author Christopher Klein, Cooking with Ellie Deaner, and Authors Hank Phillipi Ryan and Hallie Ephron and a "Downton Abbey" tea.

Friends-The Friends have \$14,819.92 in the bank. The magazine drive is ongoing, but circulation is going down. Nancy Reid is working on getting a trip together to see the Boston Pops in December. The owner of the autographed copy of Audacity of Hope by Barak Obama

has been found to be deceased and the family does not want the book back. The Friends are going to hold on to the book for now.

Other-The Target grant was funded and 2 iPads have been ordered.

### **Building Issues**

Trees-Two dead trees near the stone wall by the Story Room were taken down by Elliott Tree for \$600. One other tree was taken down by the Highway Dept. The Conservation Commission was informed of the project.

Window cleaning-The cleaning of the windows has been put on hold due to problems with the current cleaning company SJ Services.

Cleaning service-There have been some problems with the cleaning service. Dirty rest rooms, no paper towels, staples left on the carpet, a snake in the bathroom and several mice in the staff room because the back door was left open for an extended amount of time. Town Hall is also having similar issues. Deb had a meeting with the owner of the company on September 6 to let them know that the service was not acceptable. A new person started cleaning on September 7 and things are already better. An exterminator has been hired and will be checking for mice for the next 3 months.

Circulation desk lighting-The circulation desk has 10 new lights. One is a LED light.
